The Sustainable Development Goals Progress Report is out...

So where do we stand?

Where we have made progress?

- 1/ End Poverty: Less people living in poverty overall
- 3/ Health & Well-being: People are living healthier lives
- 5/ Gender Equality: Decreased incidence of child marriage and Female Genital Mutiliation
 - 7/ Energy: More people have access to electricity
 - 8/ Economic Growth & Employment: Increased labour
 - productivity and decreased unemployment
- 9/ Sustainable industrialization: Global decrease in intensity of carbon emissions
 - 10/ Reduce inequality: Reduced income inequality
 - 12/ Sustainable consumption and production: Improved
 - material standard of living & more companies reporting on sustainability
 - 13/ Climate Change: widespread ratification of the Paris

 Agreement
 - **15/ Protection of forest & eco-systems:** Slowed rate of deforestation

Where are we falling short?

- 2/ End Hunger: World hunger is on the rise, due to conflict, climate change and disasters
- 3/ Health and Well-being: Too many people are still dying from preventable diseases
- 4/ Education: More than half of children and adolescents are not reaching minimum standards
- 5/ Gender Equality: Harmful cultural practices (Child Marriage, FGM) still exist & the gender pay gap is still very real.
- 6/Water and Sanitation: Many do not have access to safe water
- 11/ Safe and sustainable settlements: increased number of people living in slums & 91 percent of world's population breathing polluted air

Where are we falling short?

- 13/ Climate Change: Rising sea levels, extreme weather conditions and increasing concentrations of greenhouse gases
- 14/Ocean conservation: continued deterioration of coastal waters due to pollution and eutrophication; increase in marine acidify
 - 15/ Protection of forest & eco-systems: the earth's forest area continues to shrink; declining productivity threatening livelihoods
- 16/ Social Accountability & Governance: no improvement in human trafficking or access to justice
- 17/ Global Partnership: Decrease in Official Development Assistance

What can be done?

Stay tuned on social...as we work our way through each SDG over the next few weeks
